Since 1921, the GPA Midstream Association has helped drive progress in the natural gas liquids and midstream sector. By advancing advocacy, setting technical standards, promoting safety, and investing in workforce development, GPA Midstream empowers companies like ours to build and maintain energy infrastructure with excellence.

As a recent recipient of GPA Midstream Safety Awards, Evers & Sons is proud to be recognized for our dedication to safe project execution and our commitment to our people and partners. These accolades reflect our core values and ongoing investment in training, field procedures, and continuous improvement across all divisions. We invite all attendees to join us during Vendor Night, and attend Tuesday's Lunch & Learn to connect, collaborate, and celebrate the progress of the midstream industry.

About GPA Midstream & GPSA
