HOUSTON—(BUSINESS WIRE)— Evers & Sons Inc. has been selected as a 2025 Work Safe, Texas Award recipient by Texas Mutual Insurance Company. The award presentation took place December 9, 2025, recognizing the company for its ongoing commitment to workplace safety and employee well-being.

Evers & Sons received recognition in Texas Mutual's highest award category, Platinum Safety Partner, a distinction awarded to only 200 companies each year out of more than 81,000 policyholders statewide. This achievement reflects exceptional safety performance, effective risk-prevention programs, and a strong culture of accountability. The Work Safe, Texas Award Program recognizes policyholders who demonstrate a management-driven mission to protect their workforce. Recipients are selected based on company size, loss history, and proven investment in safety systems.

"Safety defines how we work. This recognition belongs to every member of our team who looks out for one another and takes pride in doing things the right way. I'm proud of our progress and motivated to keep raising the standard," said Rudy Garza, HSE Director.
